## Headteacher's insight

Happy New Year! I hope you all had a restful and enjoyable holiday season. As we begin this new term, I'd like to extend a warm welcome back to all our pupils, families, and staff, and a special greeting to the new families joining our school community.

The start of a new year always brings a sense of fresh possibilities and renewed focus. This term promises to be a busy and exciting one, filled with opportunities for learning, growth, and connection. Whether it's through the enriching lessons planned, the extracurricular activities on offer, or the special events in the calendar, we're committed to making this term as fulfilling as possible for every child.

We have this week launched our new curriculum (Kapow!) for the foundation subjects. It has been encouraging to hear from the teachers the positive early indicators of the impact of this change. I have enjoyed joining in with lessons that have all had a clear purpose, engaging content and effective support and challenge to meet the needs of our children. We look forward to monitoring and celebrating the continued success of the children with their learning in these subjects.

Spring term clubs launch next week. Please make sure you have booked your child a space through MCAS onto a club list that they would like to enjoy and benefit from. For any booking queries, please contact the office. Please see the schedule below as a reminder of the offer:

### **Tuesday**

Netball After school Years 4, 5, 6 Mrs Sellars

### **Wednesday**

Yoga Before school 07:45-08:45 Years 1, 2, 3 Mr Parker

Badminton After school Years 4, 5, 6 Ms Dennett

Healthy Lifestyles After school Invite only Mrs Futter

**Thursday** Football After school 2 groups - Years 1, 2 and Years 3, 4, 5, 6 Premier (paid for club)

Mrs Futter has started her new role this week, working across Fen Ditton Primary and Marleigh Primary Academy, as our Family Support Worker. This is an exciting development for the offer from our two schools and we are looking forward to facilitating the positive impact this will have on our families.

Thank you, as always, for your continued support. Together, we can ensure that 2025 is a successful and inspiring year for all at Marleigh Primary Academy.

Mrs Emily Thompson  
**Executive Headteacher**

## News from our classrooms

### Hercules

It's been a jam-packed first week back in Hercules class this week! We've enjoyed returning to see our friends and get stuck into our new topics of learning.

In History, we explored **Ancient Greece** and created a colourful timeline looking at the different periods, such as the **Classic Golden Age** and **Hellenistic Period**.

In **Science** this half term we'll be learning about classification and we kicked this off with role play as **Carl Linnaeus** when he invented the **Linnaen system** and **binomial system** to classify and name animal species.

In **Music** we enjoyed singing along to a **South African** song featuring the tricky **Xhosa language** and **Computing** focused on the **Mars Rover**. Busy busy!

We can't wait to see what the rest of this half term has in store...

## Vulcans

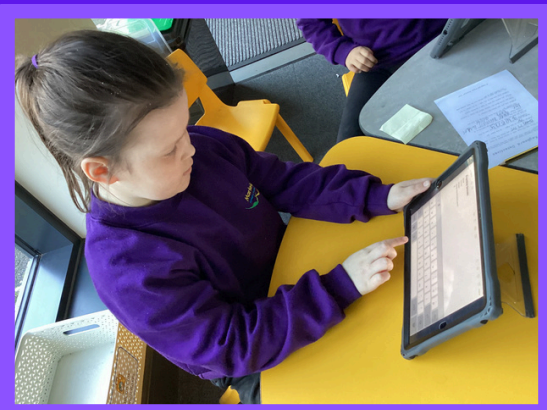

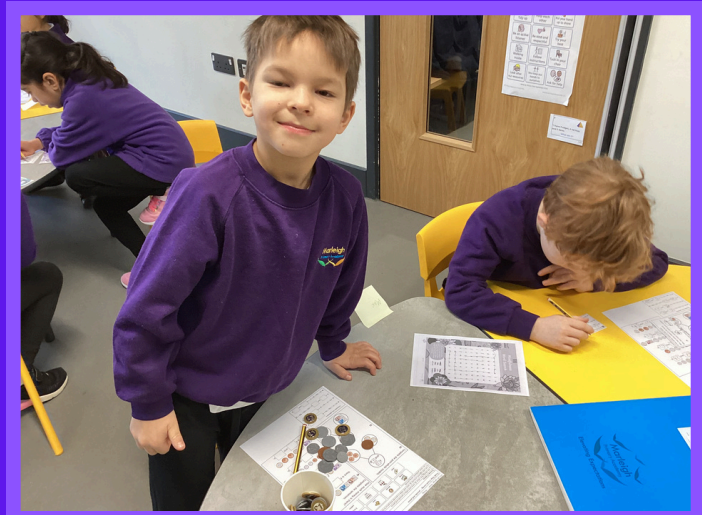

It has been wonderful to welcome everyone back after the break!

We are especially excited to introduce **Mrs. Tyson**, who will be joining us for this half term while Mr. Chambers is on placement.

The children have already been getting stuck into their lessons, starting with a focus on **touch typing** and **word processing in computing**, where they are developing valuable skills for the future.

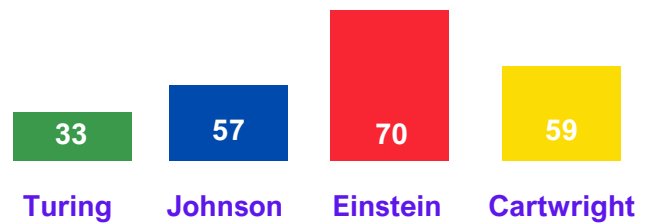

In **maths**, we've begun exploring **money**, including working with **pounds and pence**, helping the children understand real-life applications of maths.

It's been a fantastic first week back, with lots of enthusiasm and hard work from everyone. We look forward to a productive and fun term ahead!

## Happy 2025!

### A Message From Me

Happy new year to everyone. I hope you have had a restful festive period. I am very excited for you all to see our new re-launched service posters, workshops and workshop booking systems!

If you prefer, you can still contact me on my email address below. Why not check out our [EIFA webpage](#) for more information about our service.

### Back to school emotions

Now the children are back in school, remember that after a long day children may feel overwhelmed or exhausted due to the effort they put into following rules, focusing on their studies, and managing social interactions. This can lead to a build-up of emotions that are often held in during the school day.

Behaviours we may see include emotional outbursts, tantrums, crying, irritability, or being easily upset over minor issues. It is important to note that this is a normal reaction and doesn't indicate anything negative about the child or their behaviour.

To support your child during this time providing a calm and understanding atmosphere can be helpful. Offering them a chance to unwind, creating a calming space at home, choosing a quiet area where they can relax, rest, and engage in activities they enjoy may also help them regulate their emotions. It's important to validate their feelings and let them know that it is okay to express themselves.

### New Workshops for 2025
