

BADGERS HOME LEARNING

CHALLENGE 1 - HISTORY

Tudor life

Create a day-in-the-life piece showing what life was like for a child in Tudor England. This could be a diary entry, comic strip or storyboard. Try to include details about food, homes, clothing, school or jobs.

CHALLENGE 2 - SCIENCE

Earth and space

Create a model or labelled diagram showing how the Earth, Sun and Moon move. Explain how this movement causes day and night or the seasons. You may use household objects, drawings or photographs.

CHALLENGE 3 - PE

Gymnastics

Design a gymnastics sequence with at least six movements. Include a balance, a jump, a transition or roll, and a clear starting and finishing position. You can draw and label your sequence or practise it and write a short reflection.

CHALLENGE 4 - RE

Abrahamic Religions

Research one Abrahamic religion (Christianity, Islam or Judaism). Create a fact page explaining where it is practised, a place of worship and one important belief or tradition. Explain why it may look different around the world.

CHALLENGE 5 - MUSIC

Musical Theatre

Choose a musical theatre song. Find out which musical it comes from and what is happening in the story during the song. You could write a short review, explain how the music tells the story, or illustrate a scene.

CHALLENGE 6 - FRENCH

Getting Dressed

Create a poster showing different items of clothing. Label at least five items in French and include colours. Challenge: write a sentence describing what someone is wearing (e.g. Je porte....).

CHALLENGE 7 - COMPUTING

Search Engines

Create a guide for younger pupils explaining what a search engine is, how to search safely, and how to check if information is reliable. This could be a leaflet, poster or short presentation.

CHALLENGE 8 - ART

Craft and Design: Photo Opportunity

Take or find a photograph that tells a story. Edit or present it creatively by adding framing, collage, captions or design elements. Explain what makes your photo interesting or powerful.

CHALLENGE 9 - PSHE

Safety and the Changing Body

Create an age-appropriate poster, leaflet or written piece explaining ways to stay safe as your body changes. This could include online safety, personal safety, or who to talk to if you are worried.
