

LADYBIRDS HOME LEARNING

CHALLENGE ONE

Science – Sensitive Bodies

Create a senses chart: list things you can see, hear, taste, smell and touch at home.

CHALLENGE TWO

History – How have toys changed?

Toy Time Detective. Find three toys from different “times” — a baby toy, a toy from when a grown-up was little, and a modern toy

CHALLENGE THREE

PE – Dance: Create a Movement Pattern

Choose a piece of music and create a short dance sequence with 3–6 moves.

You can:

- Name each move
- Show changes in speed, level or direction
- Perform it to a family member

CHALLENGE FOUR

RE – What is God’s job

Special Things Hunt: Find three things at home that you think are special. Why are they special? Share with someone at home.

CHALLENGE FIVE

PSHE – Safety and the changing body

Safety Superhero Poster: Design a superhero who helps people stay safe. What powers do they have?

CHALLENGE SIX

Art – Colour Splash

Colour Hunt: Find objects at home in the three primary colours. Arrange them and take a photo or draw them.

CHALLENGE SEVEN

Music – Keeping the pulse

Make a simple drum from a pot and play along to music.

CHALLENGE EIGHT

Computing – Skills Showcase:

Rocket to the moon. Instruction Game: Pretend you are a robot! Ask someone to give you step-by-step instructions to do a simple task (like making a sandwich). Did they get the order right?

CHALLENGE NINE

Home Discovery Mission: Build a Learning Robot

You are going to create and test a Learning Robot that explores life at home using its senses, movement, creativity, and safety skills.
