

DRAGONFLIES HOME LEARNING

CHALLENGE ONE

Weather Watcher

Become a weather reporter for the week, recording and presenting the daily weather!

Challenge: Compare the UK weather to another country.

CHALLENGE TWO

Animal Life Cycle Creator

Choose an animal and show its life cycle. Include what the animal needs to grow and stay healthy.

Ideas: Frog, butterfly, chicken, human.

CHALLENGE THREE

Healthy Me Collage

Create a collage about staying healthy. Include food, exercise, sleep and hygiene.

Challenge: Design a “Healthy Me” superhero!

CHALLENGE FOUR

Light in Our World

Explore how light is important. Write or record why light is important to people.

Creative option: Make a stained-glass window picture.

CHALLENGE FIVE

Dance Creator

Create your own short dance routine. Choose music you love. Add 3–5 moves.

Extra: Draw a sequence of your moves like a dance map.

CHALLENGE SIX

Musical Symbols Poster

Design a bright music poster. Draw musical symbols you know. Invent your own symbols too!

Challenge: Create a short rhythm using your symbols

CHALLENGE SEVEN

Balanced Diet Plate

Design a healthy meal.

Extra: Help cook or prepare part of the meal at home.

CHALLENGE EIGHT

ScratchJr Story Planner

Plan a story for ScratchJr. Draw characters and settings. Show what happens at the beginning, middle and end.

Challenge: If you have the app, try to build it!

CHALLENGE NINE

Good Citizen Award

Show how you are a good citizen. Help at home or in your community. Explain how it helped others.

Ideas: Tidying, helping cook, being kind, recycling/
