

BUTTERFLIES HOME LEARNING

CHALLENGE ONE

Science – Measuring Shadows Challenge

Place a toy in light and look at its shadow. Measure it using objects (e.g. blocks).

Move the light—what changes?

CHALLENGE TWO

Phonics – Tricky Words

Practice: they, you

Can you write a sentence containing these words?

CHALLENGE THREE

Maths – Number Bonds to 10 (Home Objects)

Use items (toys, socks, pasta) to make 10.

How many ways can you find?

CHALLENGE FOUR

Science – Ice Exploration

Freeze water with small objects inside.

Watch the ice—what happens as it melts?

CHALLENGE FIVE

Sculpture – Junk Modelling

Make a model from recycled materials.

What is it called?

CHALLENGE SIX

Food – Fruit Kebab

Make a fruit kebab with an adult.

What does it look and taste like?

CHALLENGE SEVEN

Transport – Spot and Record

Look for transport outside. Draw or tally what you see.

CHALLENGE EIGHT

Directions

Give or follow directions to get somewhere: forward, back, left, right.

Can you reach the end?

CHALLENGE NINE

Special Things

Draw something special to you.

Why is it special?
