

# LADYBIRDS HOME LEARNING

## CHALLENGE ONE

### Science – Introduction to Plants

#### **Plant Hunt**

Go on a walk in your garden, park or street. Look for different plants and flowers. Draw or photograph the plants you find.

## CHALLENGE TWO

### History – How Have Explorers Changed the World?

#### **Be an Explorer**

Imagine you are going on an adventure to discover a new place. Draw a picture of where you might go. Think about: What might you find there?; What animals or plants could live there?

## CHALLENGE THREE

### PE – Athletics

#### **Try Some Athletics at Home**

Practise simple activities such as: Running fast across the garden or park; Jumping as far as you can; Throwing a ball or beanbag into a bucket.

## CHALLENGE FOUR

### RE – How Do We Know That Babies Are Special?

#### **Welcome a Baby**

Think about how families celebrate a new baby. Draw a picture of ways people welcome and care for babies.

## CHALLENGE FIVE

### PSHE – Economic Wellbeing

#### **My Money Choices**

Think about things people buy with money. Draw three pictures: Something you need; Something you want; Something you might save for.

## CHALLENGE SIX

### Art – Paper Play

#### **Paper Creations**

Use paper to create something interesting. You could: Fold; Roll; Twist; Cut.

## CHALLENGE SEVEN

### Music – Pitch

#### **High and Low Sounds**

Use your voice or objects at home to make high and low sounds. Try: Singing high like a bird; Singing low like a giant.

## CHALLENGE EIGHT

### Computing – Digital Imagery

#### **Become a Photographer**

Use a tablet or phone to take three interesting photos. Ideas: Something close-up; Something colourful; Something from a different angle.

## CHALLENGE NINE

### Bonus Extra – My Learning Scrapbook

#### **Create a Mini Scrapbook**

Collect drawings, photos or writing from any of the activities. Put them together to make a small learning scrapbook.
