

SQUIRRELS YEAR 4 HOME LEARNING

CHALLENGE ONE

Art

Drawing: Power Prints

Find some interesting natural objects, e.g., leaves or shells. Create some printed patterns using your shapes. What medium works best for printing?

CHALLENGE TWO

Computing

Investigating Weather

Take observations of the weather each day for a week. Present your findings using PowerPoint or a similar online programme.

CHALLENGE THREE

French

Bon Appétit!

Write a song or poem naming the days of the week in French.

CHALLENGE FOUR

History

What changed in Britain after the Anglo-Saxon invasion?

Research what happened at the end of Anglo-Saxon rule in Britain. How did Britain change?

CHALLENGE FIVE

Music

Jazz

Listen to a piece of Jazz music – what instruments can you hear?

CHALLENGE SIX

PE

Athletics

How many hops can you do in 30 seconds? Try every day for a week to see if your results improve!

CHALLENGE SEVEN

PSHE

Citizenship / Economic Wellbeing

Find out about the UN Convention on the Rights of a Child; create a campaign to teach others about this.

CHALLENGE EIGHT

RE

Just how important are our beliefs?

Share your understanding of what promises are. Why might they be important?

CHALLENGE NINE

Science

Electricity and Circuits

Carry out a hunt at home for objects that are plugged in; research how they work.
