

SQUIRRELS YEAR 3 HOME LEARNING

CHALLENGE ONE

DT

Electrical Systems – Torches

Design a torch for a special purpose. Include labels showing the light, switch, battery, handle/grip, other materials and a description of how the design suits the user.

CHALLENGE TWO

French

Shopping for French Food

Go shopping with your adults at home and practise saying the names of fruits and vegetables in French. Can you name any other foods too?

CHALLENGE THREE

PE

World Cup Fever

Play a football match at home (e.g. against a family member, a family game or skills challenge). Write a short report describing what happened and the final score.

CHALLENGE FOUR

Science - Making Connections

How does food affect muscle fatigue?

Carry out a quick investigation by timing how long you can hold your arms out straight before and after eating a small snack. Did it make a difference to your energy levels?

CHALLENGE FIVE

Geography

What are rivers and how are they used?

Research a famous river and create a simple poster or fact file showing different ways the river is used. You could include drawings, labels or interesting facts to present your learning creatively.

CHALLENGE SIX

Maths

Time Detectives

Track your day by recording your daily activities, can you create a schedule of your day?

CHALLENGE SEVEN

Music

Adapting and Transposing Motifs - Romans

Can you make a musical motif that sounds like soldiers marching?

CHALLENGE EIGHT

PSHE

Economic Wellbeing

Interview your family and family-friends about their jobs. Create a report about what you aspire to do when you grow up.

CHALLENGE NINE

English

Reading

Create a book report about a favourite book that you have recently read.
