

OWLS HOME LEARNING

CHALLENGE ONE

Identity Collage

Create a collage that represents who you are. Include your hobbies, interests, favourite places, colours and the people who are important to you.

CHALLENGE TWO

Mon Monstre!

Design your own friendly monster pet. Label it in French using colours and simple adjectives (e.g. grand, petit, vert, rouge).

CHALLENGE THREE

Football Skills Challenge

Practise dribbling a football (or soft ball) around obstacles at home. Time yourself and see if you can improve over five attempts.

CHALLENGE FOUR

Mixture Investigator

Look around your home for five mixtures (e.g. cereal, trail mix, muddy water). Can you explain how each mixture could be separated? Draw or describe your ideas.

CHALLENGE FIVE

Childhood Then and Now

Interview an older family member about their childhood. Compare school, games, technology and hobbies with your own experiences.

CHALLENGE SIX

Maths Detective

Find examples of maths used at home (measuring, shopping, cooking, time, budgeting). Record at least five examples and explain why maths was needed.

CHALLENGE SEVEN

Nature's Music

Go outside and listen carefully. Record or describe five different natural sounds. Can you group them into high/low or loud/quiet sounds?

CHALLENGE EIGHT

My Wellbeing Toolkit

Create a poster showing five healthy habits that help your body and mind stay healthy. Include a short explanation for each one.

CHALLENGE NINE

If I Could Change One Thing...

Write a short story imagining you could change one thing in the world. What would you change and what would happen next?

Elevating Expectations
