

BADGERS HOME LEARNING

CHALLENGE ONE

Science: Light Investigators

Investigate how light reflects from different surfaces using a torch and safe materials. Record what you notice and explain which surface reflects best.

CHALLENGE TWO

Geography: People on the Move

Create a fact sheet explaining why populations change. Include reasons people move into or away from an area.

CHALLENGE THREE

PE: Teamwork Trail

Design a safe navigation challenge for a family member. Draw a map, write clear directions and explain how teamwork could help.

CHALLENGE FOUR

RE: Faith Around the World

Create a comparison poster showing how a religion is practised in two different places. Explain what may be similar and different.

CHALLENGE FIVE

PSHE: Stand Up Safely

Write a short script or comic showing someone standing up for themselves or another person respectfully and getting help when needed.

CHALLENGE SIX

Art: Express an Idea

Create a drawing that communicates a message or feeling. Explain your choices of composition, line and shading.

CHALLENGE SEVEN

DT & French

A Bag for a Champion
Design a bag for a French football champion. Label its features, fabric and fastenings, and add French words about football.

CHALLENGE EIGHT

Music: A Song That Speaks

Write a verse and chorus about an issue you care about. Choose words that communicate your message clearly; perform it as a song or rap if you wish.

CHALLENGE NINE

Computing: Search Smart

Choose a question and research it using a search engine. Compare two websites and explain which is more trustworthy and why.
