HEDGEHOGS HOME LEARNING

CHALLENGE ONE	CHALLENGE TWO	CHALLENGE THREE
Science: Magnet Challenge Test a range of objects to find out which are magnetic. Present your results in a table and explain what you noticed.	**Geography: Rainforest Rescue** Create an information poster explaining why rainforests are important and how people can help protect them.	**PE: Move and Flow** Plan a short dance or yoga sequence with a beginning, middle and end. Draw or describe the moves and teach them to someone.
CHALLENGE FOUR	**CHALLENGE FIVE**	**CHALLENGE SIX**
RE: A Text to Treasure Choose a sacred text or story from a religion you have studied. Explain what it teaches and why it matters to believers.	**PSHE: Respect in Action** Create a comic showing how children can respect different opinions and solve a disagreement calmly.	**Art: Texture and Tone** Draw an object using light and dark shading. Add different textures and explain how you created them.
CHALLENGE SEVEN	**CHALLENGE EIGHT**	**CHALLENGE NINE**
DT & French: Fashion Fix Design an outfit for a French character. Label the clothing in French and show how your design uses a fastening.	**Music: Musical Motif** Invent a short musical pattern using claps, taps or notes. Write or draw the pattern and perform it twice in different ways.	**Computing: Scratch It!** Plan a simple Scratch game or animation. Draw the characters and background, then describe the code or blocks you would use.
