

LADYBIRDS HOME LEARNING

CHALLENGE ONE

Material Detective

Go on a materials hunt around your home or local area. Collect, photograph, or draw 10 objects and identify what they are made from. Create a poster, booklet, or digital presentation explaining why each material was chosen for that object.

CHALLENGE TWO

Geography: What Is It Like Here?

My Local Area Guide Create a guidebook, map, leaflet, video, or model showing what it is like where you live. Include places people visit, natural features, landmarks, and things that make your area special.

CHALLENGE THREE

PE Yoga

Yoga Challenge Creator Design your own yoga routine with 5-10 poses. You could draw each pose, make a photo sequence, create a video, or teach it to someone at home. Give your routine a creative name.

CHALLENGE FOUR

RE: What Do Some People Believe God Looks Like?

Belief Through Art Create a piece of art, sculpture, collage, or model showing what different people might think about God. Include a few sentences explaining your ideas and how beliefs can differ.

CHALLENGE FIVE

PSHE: How Can I Help Myself and Others Feel Happy and Safe?

Kindness Champion Create a "Happy and Safe" guide. This could be a comic strip, poster, storybook, diary, or video showing ways to help yourself and others feel safe, happy, and included.

CHALLENGE SIX

Art: Exploring Line and Shape

Line and Shape Artist Create an artwork using only lines and shapes. You might use pencils, paint, collage, natural materials, or digital tools. Challenge yourself to include as many different lines and shapes as possible.

CHALLENGE SEVEN

DT: Stable Structures

Build It! Design and build a structure using recycled materials, building blocks, cardboard, or craft materials. Test how strong it is and record your results with photos, drawings, or labels.

CHALLENGE EIGHT

Music: Snail and Mouse - Tempo

Tempo Treasure Hunt Find songs with different speeds. Create a playlist, poster, or presentation showing which songs are "snail tempo" (slow) and which are "mouse tempo" (fast). Explain how the tempo makes you feel.

CHALLENGE NINE

Computing: Programming - Commands Unplugged

Robot Commander Pretend someone in your family is a robot! Write or draw a set of commands to guide them from one place to another. You could create a maze, obstacle course, treasure hunt, or comic strip showing your instructions.
