

OWLS HOME LEARNING

CHALLENGE ONE

Science: Material Makeover

Choose a material and explain its properties. Suggest a change that could happen to it and decide whether the change is reversible.

CHALLENGE TWO

Geography: Rainforest Rescue

Create a guide explaining why rainforests matter, the threats they face and what people can do to protect them.

CHALLENGE THREE

PE: Adventure Challenge

Design a safe team challenge that uses navigation, teamwork or problem-solving. Write clear instructions and safety rules.

CHALLENGE FOUR

RE: One Faith, Many Traditions

Show how Christians may worship or celebrate in different ways. Include examples and explain why practices can vary.

CHALLENGE FIVE

PSHE: Healthy Friendships

Create a comic or advice guide showing what makes a healthy relationship and how to seek help if something feels wrong.

CHALLENGE SIX

Art: Movement in Art

Draw a person or animal in motion. Use line, shape and shading to communicate movement or emotion.

CHALLENGE SEVEN

DT: Wobble Bot Design

Design a wobble bot. Label its parts and explain how its electrical or moving components could help it wobble.

CHALLENGE EIGHT

Music & Computing: Make a Music Program

Plan a short pop tune using a repeating pattern or three-chord idea. Describe how you could use code to play or change the sounds.

CHALLENGE NINE

French: Explore Space!

Create a space travel poster with a destination, spacecraft and astronaut. Add French words or simple phrases linked to space.
